

# PR0103-K

All dimensions in mm  
Tolerance +/- 0.5

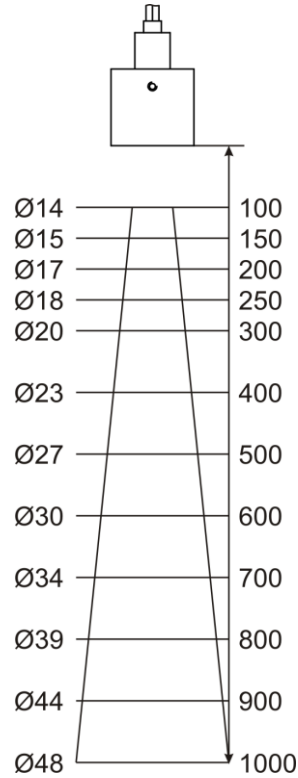

Bezeichnung	Optische Linse
Typ	PR0103-K
Anschluss	M6 x 0,75
Material Linse	Glas
Material Gehäuse	Aluminium beschichtet
Temperatur im Betrieb	-10 bis + 140 Grad

Description	Optical Lens
Type	PR0103-K
Connector	M6 x 0,75
Material of lens	Glass
Material of housing	Aluminium coated
Operating temperature	-10 to +140 degree

## Reichweiten / Operating distance

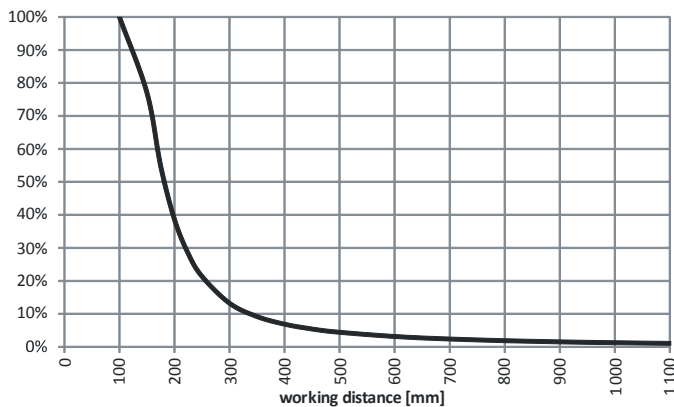

Messfleckgröße bei Abstand / Size of measuring mark / Distance  
 1mm Faser / 1mm Fiber

ausreichende Lichtstärke vorausgesetzt / provided that light power is sufficient

### Arbeitsabstand/ Working Distance

relative intensity

### Relativer Fehler bei Abstandsänderungen / relative error by working distance

approx. intensity error for +/- 10mm distance change
